The Geography Fair

*Miss Sibo's class enjoy learning about Mali from **Isaiab Stephens**.*

This year's Geography fair was a big hit! All of the different classrooms represented different countries and were able to help others learn more about those places through their displays.

Thanks to the Geography Fair, students and parents were able to learn and even taste the different aspects of places like Madagascar, Poland and Singapore.

All of the classes did a magnificent job and many parents helped to make this the best Geography Fair yet!

Elizabeth Wu, Form 5 Graduate!

Elizabeth Wu and her mother Amy Wu.

Elizabeth Wu has completed Form 5! Being that she was the first to complete out of the seven students slated to finish Form 5 this year, we were all very excited when she finished.

Completing Form 5 is no small task and it is quite an accomplishment to say the least. We are very proud to have her as our first graduate of 2012. Well done, Elizabeth!

When Elizabeth's parents were asked, "Did you get what you expected out of the Delphi program?" They replied, "Yes, we did. Elizabeth was having a hard time in public school because the learning pace was too slow for her. She would become bored and disrupt other students and always got in trouble. Now, Elizabeth is able to study at her own pace and study effectively. She never complains about being bored."

The Art Festival

*Artwork by **Jada Trench**.*

The Art Festival is coming up soon! On May 4th, all of the students will be presenting their artwork from the past year. The students, along with the help of Miss Marjorie, will display all they have accomplished in terms of art in practically every area of the school.

The walls are literally covered in the children's paintings, sculptures and drawings. Not only that, but the students who have been learning piano, get to perform!

This is going to be a fun packed event that you will not want to miss!

The Fun Fest!

Penda Osborne and her mother Sheila Chapman.

On June 2nd we are having our annual Fun Fest! This is a special day, put on by the Parents Association, where children and parents alike can enjoy good BBQ food, music, pony rides, face painting and much more!

It's one of the greatest days of the year, so make sure that you plan to attend. You won't want to miss this fantastic day of fun!

Summer Camp!

Summer students enjoying the beach.

Summer camp is just around the corner! We plan on having this year be bigger and better than ever! A variety of academics are available to students, but we will also spend a lot of time taking advantage of the warm summer weather and having fun!

Summer camp gives students time to sharpen their communication and study skills, brush up on subjects like reading and writing, advance themselves in existing studies and explore new interests.

Most Fridays during summer camp are spent on field trips to places like farms, museums, zoos or even a pirate ship! Our older students also take trips to Nantasket to enjoy a day on the beach.

It's going to be a great summer, and we hope to have you with us!

REMINDER

Camp Deposits are due by April 13th
(\$250.00)

IMPORTANT DATES FOR THE UPCOMING MONTHS!

Monday, April 16th-20th
