

DELPHI DISPATCH

Summer Camp Highlights August 2013

We've taught hundreds of children how to swim!

Making new friends and reconnecting with old ones.

The beach is a blast!

Smiling faces everywhere! Even when the rain keeps them inside.

Year after year, campers come back for the love of reading.

Games with Julio made every day exciting.

This was a great summer! We are looking forward to seeing all our wonderful summer campers again next year.
