Festivities!

“It’s the most wonderful time of the year!” And for good reason! With all of our holiday festivities to enjoy, Delphi Academy is where you want to be! Our holiday cheer is infectious and will keep you nice and warm, even if the weather outside is frightful!

We started the season off right with our annual Lower School Harvest Feast on November 18th. Many parents traveled over the river and through the woods to help us pull off our most delicious feast ever! With dishes from many cultures and nations, we were very thankful to mix and mingle with all our friends!

“Tis the season”, and our very caring students worked especially hard this year to help those in need feel jolly. Every class assisted in running several drives for charity - a Food Drive, Coat Drive and Pajama Drive! The Pajama Drive was run by Miss Trista’s Class and the Coat and Food Drives were run by Miss Amy’s Class.

Our many Holiday Fundraisers brought joy to the school in the form of pies, cookies, and a very exciting raffle!

December brought the book fair where our enthusiastic students chose from hundreds of Scholastic Books to read.

Next it was time for tasty treats with our annual Cookie Day Exchange! Some might say this is their favorite fundraiser. Who doesn’t love homemade Christmas cookies?

Immediately following the Lower School Holiday Show many students won items they had bid on in the raffle, and

everyone had a fantastic time!

This holiday season we raised over \$1000 in funds which will be used to enhance our wonderful students’ educational experience.

Thank you to every parent, child and staff member who assisted in creating a true winter wonderland at Delphi Academy this holiday season 2011!

Holiday Shows!

This year the Elementary and Middle School drama club pulled off an incredibly entertaining performance. They brought the house down with their hilarious rendition of “Bigger Than Life”, an old time western traveling show with tales that are too big to be believed.

Rishi Jambunathan leads the cast in a round of “Buffalo Gals.”

Not to be outdone, our Lower School students performed for over 200 parents on Friday, December 16th. The afternoon began with a delicious Pot Luck. Parents brought in all sorts of yummy dishes for everyone to enjoy! Then the lights went down and the show began. From Miss Francis’ class to Miss Dawn’s class, every performance was a hit!

Field Trips!

Our Lower School students received a fun lesson in learning! Our Beginners classes visited the Canton Public Library where they had a chance to read with their teachers and explore all that the library had to offer!

Our Form 1 & 2 students learned quite a bit about our world’s evolutionary path when they visited the Museum of Natural History. From the Glass Flower exhibit to the Great Mammal Hall they saw many incredible and dazzling exhibits.

Carmen Belizaire, Malik Ulysse, Aiden Dyer, & Edward Wu visit the gems exhibit.

Our Elementary and Middle School students took a trip to one of New England’s most historic cities: Lexington, Massachusetts. They were taken back in time to the beginning of the Revolutionary War and followed the steps that were traveled on that fateful day in 1775. They toured Buckman Tavern where many Revolutionary leaders lodged, and each class had a chance to explore the Lexington Green where the legendary “shot heard round the world” was fired.
